

What have been our successes during 2021/2022

We can look back at a successful but another difficult year at Llanddulas due to the continued pressures of Covid 19. At the beginning of the year however, we set ourselves School Development Plan targets for improvements and we have seen progress in the following areas:

To further develop a whole school approach to wellbeing to support an inclusive environment in which all pupils and staff are thriving and making progress - **Strong Progress**

Develop teaching and learning and planning / provision to support the implementation of the Curriculum for Wales and the development of the Four Purposes across the school from September 2022 - **Good Progress**

ALN transformation - to ensure appropriate challenge for all learners through the development of universal provision and effective intervention groups - **Strong Progress**

School Prospectus

Our school prospectus is in line with the legislative requirements and can be found on the school's website. A copy can also be emailed on request.

Safety

The school ensures the safety and security of all stakeholders by adhering to the school's Health and Safety policy.

Together Everyone Achieves More

Annual Report to Parents 2021-2022

All Governing Bodies are required to produce an annual report to parents. This is a summary report, however a full report is available on request. An annual parents' meeting can also be held to discuss this report.

Any parents either wishing to see the full report or request an annual parents' meeting, please enquire at the office or contact our Chair of Governors, Mr Adrian Leonard.

A message from the Chair

As a governing body we are proud to present the report to parents of Ysgol Llanddulas.

It is good to report that the children have been able to return to school full-time after all the disruption due to the Covid Pandemic. The Headteacher and staff have worked hard to mitigate the long term affect of the disruption to their education.

The school's governors are committed to their roles and responsibilities and are proud to work with staff and parents in order to maintain high standards and offer children first class experiences and care. I would like you to take the time to read the report and reflect on the academic success and the highlights of our school during 2021-2022.

Thank you to parents/guardians for all your support to the school, it is appreciated. Working together we can achieve great things for our children.

Together, Everyone Achieves More!

We are all set for a new academic year.
Adrian Leonard (Chair of Governors)

School's Attendance Data

Due to the COVID-19 pandemic, Welsh Government made the decision to not collect Attendance data, therefore the School will not publish this information as part of the report.

School's Opportunity for Sport

The Governors are asked to report on the provision made by the school for pupils to participate in sport. All pupils have 2 hours of physical exercise/PE sessions each week in all classes and Years 2 - 6 have had swimming sessions. We have participated in the following sporting events: football, netball, cross country, rugby, cricket and athletics. Extra curricular clubs have also been offered for boys football & girls football and netball.

School's Achievements 2021-2022

Since September 2021 we have been able to resume trips and visits to enhance learning. The following opportunities have been offered this year:

- Residential trips to Nant BH and Pentrellyncymmer
- Visits to St. Cynbryd's Church, Danger Point, Llandudno Ski Centre, Year 6 camping, Greenwood.

Additional Learning Needs 2021-2022

Mrs Helen Ansell is responsible for Additional Learning Needs provision at school which involves regular discussions with teachers, support staff and parents. Specific tasks and Individual Development Plans (IDP) are given to children with Additional Learning Needs (ALN) who have been identified as needing Additional Learning Provision (ALP), with the other children on universal or targeted interventions. Teachers and support staff work hard to implement these plans as the children strive to succeed with their targets.

We work with relevant outside agencies to ensure appropriate support and some pupils have benefited from one-to-one support. We fully comply with the Additional Learning Needs and Education Tribunal (Wales) Act which has been in effect for Nursery and years 1, 3 & 5 since January 2022, with the Special Educational Needs Code being phased out for the other year groups.

Here is a list of our Parent Governors as stands in September 2022:

Mr Adrian Leonard (Chair)
Miss Rebecca Colton
Mrs Sue Livingstone
Mr Matt Stewart

Other Governors of our school include:

Cllr Keith Eeles (Community Council) Vice Chair
Ms Wendy Williams (LEA)
Mrs Ann Griffiths (LEA)
Mr Glynne Kirkham (Co-opted)
Mr Kai Davies (Community)
Rev Janice Brown (Foundation)
Dr Huw Lloyd (Foundation)
Mrs Helen Scarlett (Foundation)
Mrs Helen Ansell (Teacher)
Mr Bryn Lewis Jones (Staff)
Mr John Lloyd (Headteacher)

SCHOOL'S PERFORMANCE DATA

Due to the COVID-19 pandemic, Welsh Government made the decision to not collect end of year data, therefore the School is unable to present any performance data as part of the report.

Moving forward with the New Curriculum for Wales procedures for assessment and data will change. However, as a school we have worked hard to develop our own systems to ensure we continue to ensure that every individual child is catered for and makes progress.

Exclusions

One pupil received 1 fixed term exclusion for 1 day.

Pupil Deprivation Grant

The PDG is a Welsh Government initiative that aims to provide financial support for the main areas of national priorities for schools:

*The school's FSM population was 19% (22 pupils)
The total allocation of PDG to this school for April 2021 to March 2022 was £16,100.*

The school undertakes the following activities in order to support pupils facing the challenges of poverty and deprivation:

*Staff run various intervention programmes across the school:
Nurture sessions, ELSA and ALN groups.*

Curriculum Organisation and Teaching

At Ysgol Llanddulas we support the concept of lifelong learning, recognising that children learn new things every day. We maintain that learning should be a rewarding and enjoyable experience for everyone. Through our teaching we seek to equip children with the skills, knowledge and understanding necessary to be able to make informed choices about the important things in their lives. We recognise that people learn best in different ways and aim to provide a rich and varied learning environment that supports children in developing their skills and abilities in a range of ways, in order to achieve their full potential.

Through our teaching we aim to develop pupils who are:

Ambitious, capable learners
Enterprising, creative contributors
Ethical, informed citizens
Healthy, confident individuals
